2	Abdi Ibrahim	Pharmaceuticals	Market Potential, Joint Venture	Discussing possible collaboration opportunities
3	Africapital Investment Holdings Ltd.	Private Equity & Venture Capital	Financing, Private Equity & Venture Capital Investment Opportunities	My business is dedicated to promoting tanzania and its business opportunities. That is why i founded africapital, where we identify profitable tanzanian business and investment opportunities, source foreign or local investment, and also take equity in those businesses. Given that i have been living in tanzania for 14 years and my home country is turkey, i believe i can be an effective ambassador for tanzania to my fellow turkish people. Therefore, the success of such an event, especially one taking place in turkey, has a direct impact on my business. The more successful these events are, the more investment interest in tanzania we can generate.
